

SAC DRESS CODE & PACKING LIST 2024

The following is a camp dress code and packing list of items recommended for camp. Make sure to take into account the Northwest climate as the weather can vary and may be chilly at times. Please mark your child's full name on everything possible with either labels or laundry markers. Camp is not responsible for lost belongings. Campers do not have use of a laundry facility on the camp premises; our complimentary SAC Laundry Service is available to all full session campers.

Please pack all items in proper luggage (i.e. suitcases, backpacks or duffel bags), marked or tagged with the camper's first and last name. Use of plastic garbage bags in place of proper luggage is strongly discouraged and may result in belongings that are misplaced or inadvertently disposed of. SAC is not responsible for and cannot guarantee the safe return of items packed in trash bags.
